NORTH LITTLE ROCK, Ark. (KTHV) - A group of teenagers is using the first weeks of summer to serve others. Instead of sleeping or hanging out by the pool, they are building wheelchair ramps, fixing roofs, and painting homes.

The service projects are part of 'Ozark Mission Project,' which began 20 years ago at Lakewood United Methodist Church in North Little Rock. It's grown into supporting a dozen camps with more than 600 teens living in churches, eating donated food and, borrowing homes each evening to take showers.

Last year the OMP campers in NLR completed 46 projects for 37 neighbors in one week, including 7 wheel chair ramps, 3 porches, 2 sheds, 14 yard work projects and 18 homes painted.

On Monday, the group in North Little Rock is building a porch for a family on East Washington Avenue.
